a fee is due, the Commissioner is hereby authorized to charge any fee deficiency for considering this Supplemental Information Disclosure Statement to Deposit Account No. 19-3550.

As indicated in the First Information Disclosure Statement, European Patent Reference 0 570 980 A1 appears to disclose a garment, such as an absorbent garment, having an adjustable fastening system around a waist area of the garment.

Also indicated in the First Information Disclosure Statement, Japanese Patent Reference 3-67646 appears to disclose a method of making a multilayered laminate in which a middle layer is differentially stretched in the machine direction as it is applied between two outer layers.

European Patent Reference 0 617 939 A2 appears to disclose a garment, such as an absorbent garment, having elasticized regions that extend from a front side region to an opposite leg opening and back to the opposite back side region. This reference also appears to disclose a garment having elasticized leg openings and an elasticized waist opening.

Serial No.: 09/855,194

Docket No.: KCC-15,893

Form PTO-1449 (1 page) is enclosed with a copy of each and every reference cited on Form PTO-1449.

Respectfully submitted,

Melanie I. Rauch
